ADDENDUM NO. 1

Workers Compensation Board Top Up Methodology (June 22, 2006)		
The parties agree that the procedures and methodology as set out in this Addendum No. 1 shall be adopted and applied for the administering of workers compensation.		
1	Employee Options	No Option offered.
2	Top-up Calculation	The Top-up shall be calculated as follows: For Full Time Staff-Regular Gross Pay (plus Vacation Pay when paid with each cheque) less 20% and Part-time Staff less 15% (estimated for C.P.P., E.I. and Income Tax) = Net Pay * 10% = Top-up. This calculation approximates 10% of Net Income as defined by W.C.B. which is the portion not paid by W.C.B. Subject to No. 3 below, the Top Up will be increased by the amount required to maintain the same contribution to the M.A.S.T. Pension Plan that was being made prior to the employee commencing W.C.B. leave.
3	Annual Limit on Contributions to the M.A.S.T. Pension Plan	Federal law currently does not permit contributions into a pension plan which exceed 18% of earned income in any calendar year (employee plus employer matching contributions). For employees on longer terms of W.C.B. Leave, this means that the Pre-W,C,B, pension contributions may not be able to be maintained for the full period of the W.C.B. leave period. In the Fall of each year or whenever an employee is on W.C.B. leave for 18 weeks (9 pay periods) in any calendar year, the Secretary-Treasurer's Department will review the status of the W.C.B. recipient to determine whether or not the 18% ceiling has been breached. If the ceiling is expected to be or has been breached, adjustments to the pension contributions (including recovery, if necessary) shall be made to ensure that the contributions remain within 18% of earned income.

4	Effective Date	As soon as Payroll is notified that an employee is filing a W.C.B. claim including the date of the injury, and it seems clear that the employee will be approved for W.C.B. benefits, the effective date of W.C.B. benefits and Top-up is the day following the day of the injury.
5	Ordinary Advance of W.C.B. Benefits	Due to the time delay between the reporting of the injury to W.C.B., the completion of the approval process and issuing of W.C.B. benefits cheques, the Division will issue an Advance of W.C.B. benefits equal to 1 pay period of estimated benefits. the Advance will be paid on the normal pay date for the applicable pay period. The Division will notify W.C.B. as to the amount of the Advance paid and W.C.B. will issue a cheque to the Division for the amount of the Advance and deduct that amount from benefits sent to the employee.
6	Additional Advance of W.C.B. Benefits ONLY when injury occurs in First Week of Pay Period	As injuries can occur during any part of any pay period the Regular Gross Pay for the pay period will be adjusted and an Additional Advance paid (in addition to the Ordinary Advance) to cover the period between the date of the injury and the end of the pay period. This can only be done if there is time adjust the payroll reflecting a portion as Regular Wages and a portion as Advance of W.C.B. Benefits. In this case, the Division will notify W.C.B. as to the amount of the Additional Advance paid and W.C.B. will issue a cheque to the Division for the amount of the Additional Advance and deduct that amount from benefits sent to the employee.
7	Additional Advance of W.C.B. Benefits ONLY when injury occurs in Second Week of Pay Period	In some cases, the injury may occur during a pay period at a time when the Regular Gross Pay for that period cannot be adjusted as provided in No. 5. In this case, the full Regular Gross Pay will have been paid. The total Regular Gross Pay paid for the days when the employee was actually injured during that pay period shall be considered as Additional Advance of W.C.B. benefits and treated the same way as provided in No. 5 with corrections for C.P.P., E.I. and Income Tax in a subsequent period. (Gross Pay is reversed and Advance entered in next pay period.)

8	W.C.B. Benefits Payments	Except for the Division receiving reimbursement from the W.C.B. for the Advance and Additional Advance paid, all W.C.B. benefits cheques would be sent directly from W.C.B. to the employee.
9	Division Payments	Except for the Advance and Additional Advance the only payments from the Division to an employee in receipt of W.C.B. benefits payments will be the Top-up payment.
10	Sick Leave Deduction	The amount of sick leave to be deducted from the employee for any pay period is the dollar amount of the Top-up payment divided by the employee's hourly rate of pay and sick leave converted to and deducted in Hours.
