

Pembina Trails

Educational Support Fund

*Accomplish
Anything*

This registered charity financially supports our outstanding students who represent Pembina Trails in academic, athletic or artistic activities in Manitoba, across the country and even the world. Donations can also be directed towards scholarships, improvements to our schools and supplemental educational programs.

Donations Making a Difference.

Academics on a National Stage

“The Educational Support Fund was instrumental in assisting six Pembina Trails’ high school students for travel to Toronto to compete in The Reach for the Top National Finals.”

- Teacher, Vincent Massey Collegiate

Westgrove’s Snack Program

“I think it is great because some kids don’t get the opportunity to have breakfast. They leave home on an empty stomach and it is then hard to be at school and stay focused. The snack program makes sure everyone’s stomach is full and ready to learn.”

- Grade 6 student, Westgrove School

Pacific Junction Grant

“A grant enhanced our technology capabilities in the gym, library and main hallway. Now large groups can participate in activities involving technology. And the monitor in the hallway brightens people’s day by providing a visual record of the wonderful activities that take place!”

- Principal, Pacific Junction

Focus of Activities:

- The resources of the Pembina Trails School Division Educational Support Fund are focused on supporting students in a wide range of academic, athletic and artistic experiences which would include as examples: Shad Valley, Forum of Young Canadians, Terry Fox Centre and many more.
- Students may apply to access this support directly and school groups and teams may apply to access this support on behalf of the group or team.

School Based Fundraising:

- Division schools undertake public fundraising activities to pay for various projects at their schools. Schools and the Pembina Trails School Division Educational Support Fund work together where projects qualify as charitable projects. The Pembina Trails School Division Educational Support Fund acts as stewards of the fundraising proceeds, issues tax receipts to contributors and disburses the monies raised towards realizing the projects.
- The Pembina Trails School Division Educational Support Fund works in cooperation with community groups to provide scholarships to students and also, in conjunction with schools to improve the educational facilities, classroom equipment and educational programs for students.
- The names of those contributing \$100 or more to the Pembina Trails School Division Educational Support Fund will be honoured by having their names included on the Pembina Trails School Division Educational Support Fund Donor Board in the Administration Office.

“Fundraising is the gentle art of teaching the joy of giving.”

- Hank Rosso

How Can You Help ...
