Student Accident Insurance

Dear Parent/Guardian:

The Manitoba School Boards Association and Pembina Trails School Division are committed to the health and welfare of students. Injuries and accidents are everyday occurrences. The home, playground, school and community all present possible hazards to children and adolescents.

Universal Student Accident Insurance

Pembina Trails School Division maintains Universal Student Accident Insurance coverage, underwritten by iA Special Markets, for all students attending our division's schools. The program provides basic accident and medical coverage while students attend school or participate in school-organized activities. It also extends to provide coverage to high school students enrolled in an approved course or class outside of school that qualifies for credit in Physical Education. **This coverage does not extend to any other activities at times outside of school; i.e. not 24 hour coverage.**

For students who are engaged in remote learning, the Universal Student Accident Insurance will remain in-force for periods where the student is on a <u>live call</u> with a teacher or school staff member. Coverage does not extend when watching pre-recorded content or engaging in independent study. Please see the attached document with further information in regard to Universal Student Accident Coverage in regards to remote learning.

It is recommended that all parents/guardians consider purchasing Voluntary Student Accident Insurance, which provides 24-hour coverage for all accidents at home, school, sports, organized activities or play for the entire year, including remote learning.

The Universal Student Accident Insurance Program complements but does not replace the Voluntary Student Accident Insurance coverage purchased by parents/guardians.

Voluntary Student Accident Insurance

The Voluntary Student Accident Insurance underwritten by Old Republic Insurance Company of Canada provides enhanced accident coverage for accidents and benefits beyond that of the Universal Student Accident Insurance held by the School Division or through a parent/guardian's benefits plan through their employer. Benefit coverage includes ambulance, hospital, accidental dental, disability, fractures, dislocations, and many other benefits.

Protect your loved ones 24/7 with student accident insurance

Get the financial protection your family needs.

If your child is involved in an accident, whether at school or during non-school hours, student accident insurance protects your family from the resulting expenses, which are not normally covered under your government health and group insurance plans.

Government health plans and employment plans offer limited coverage. We help to fill in the gaps.
