

# Safety First

The safety of our students, staff and families is most important at Ecole Bonnycastle School.

## Please remember:

- Drop off/pickup area is on the east side of the school.
- Children should always exit the car on the curb (passenger) side of the car. NOT INTO TRAFFIC.
- Children should walk on the sidewalks and use the crosswalk to cross the street.

## UNSAFE Behaviours:

- Children not using the crosswalk
- Children running between parked cars
- Parents making illegal U-turns
- Parents double parking
- Parents stopping illegally and speeding
- Parents stopping on the wrong side of the street facing oncoming traffic
- Passing school buses with stop sign out

We thank you for your support and cooperation in keeping everyone safe.

# Staff Supervisors

Our staff are in the drop off/pick up area to greet your children and assist them. They support the safety of the students and ensure traffic is moving continuously. We appreciate your support and respect for both the staff and drop off/pick up areas.

# Crossing Guards

Our crossing guards are there to make sure your children cross the busy streets safely. Please treat them with respect and consideration.

- Slow down while driving through the school zone. Remember 30 km/h.
- Watch for crossing guards and respond to their flags.
- Come to a complete stop at crosswalks and stop signs.
- Be patient as you wait to move through the intersections, we want to be sure it is safe to cross your children.
- Wait for the crossing guard to return to the curb.
- Please do not stop or park in the crosswalk and in the no stopping areas.
- Please model and remind your child to use the cross-walks and not to run or cross in the middle of the street.
