## Meet your Teachers

Hi! I'm Mrs. Wog, I am so excited to be your Kindergarten teacher and I can't wait to meet you.

I like to bike, swim and go for walks. I also enjoy crafting projects. I really love making cookies and baking treats for my family.

## More great people at our School!

Mrs. Allard- Student Support Teacher Mrs. McGregor- Teacher Librarian Mrs. McNicholl- Library Technician

## More great people at our School!

## You are your child's first and best teacher!

- Follow your child's lead as you play and discover together
- Talk and read with your child in your first language
- Help your child to share and take turns
- Encourage your child to make choices and decisions
- Celebrate your child's learning

#### Talk Read Sing Play, Every Day!

#### Talking Builds:

- Relationships
- Vocabulary
- Listening and speaking skills
- An appreciation for family stories and oral traditions

#### Reading Builds:

- Vocabulary
- · A sense of story
- Knowledge
- Print, letter and number awareness

#### Singing Builds:

- Oral language
- Memory
- · Rhythm & rhyme
- Belonging
- Enjoyment of music
- Patterning

#### Playing Builds:

- Decision making
- Cooperation
- Physical skills
- Curiosity
- Self-regulation
- Creative thinking
- Measurement, geometry and spatial sense

## Playing with Playdough

There are so many benefits to playing with playdough!

Playdough can be bought or made out of some basic ingredients. (See WTK Family Activities Guide for a simple recipe)

Using props found at home, help your child to create! Here are some things you might use to help your child play with playdough: buttons, toothpicks, cookie cutters, plastic animals, pipe cleaners, rolling pins, garlic press, potato masher...

Not only will your child have fun, they will learn so many things!

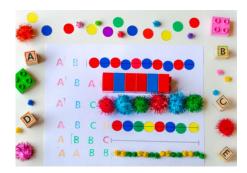

For more information see The Benefits of Play Dough

Numbers and shapes can be found everywhere (e.g., clocks, house numbers, keypads, license plates, in books..). Help your child explore mathematics in their environment.

- Look for collections of objects in your house (e.g., rocks/gems, clothes pins, buttons, animal figures..). Count "how many" and place magnetic numbers beside each group.
- Use buttons or coins and dice to play "Snakes and Vines" in your WTK Chirp magazine
- Using beads and string, make a "pattern" necklace (e.g., red bead, blue bead, yellow bead, red bead..).
- Have fun cooking, measuring, counting, and more by using the WTK cookbookwith your child.

**Here** are more ways to play with mathematics.

Playing with letters and noticing print in the environment helpbuild foundational early literacy skills.

- Using WTK magnetic letters and alphabet template, sort letters in various ways (e.g. by colour, by shape, upper/lower case...)
- link letters to names and familiar words found in the environment (e.g. F like Fatima, M like McDonalds...)
- Build your child's name with magnets and other items (e.g. stones, Lego...)
- Make name puzzles using your child's name and those in their family
- Write simple stories using environmental print found in flyers. magazines, labels from packages...

Here are some ways you can play with WTK Magnets at homælick here

## Talking and Reading Together

There is no app to replace your lap ~ spend time reading with your child!

The WTK Resource bag contains several books to enjoy together. Find a time each day to sit and read with your child. Make reading a special time to share.

Practice the three Cs of reading Cuddle, Conversation and Choice

Talking about books and stories helps your child make connections between the books and themselves, their community, and the world.

When you hold a book and read with your child, so many important skills are fostered. In addition, e-books can be accessed here.

## Creative Exploration

Children are naturally curious. They enjoy exploring and creating using a variety of materials.

Using WTK scissors and crayons, assorted paper, tape, and recycled materials at home, invite your child to create!

Drawing, cutting, and playing with art objects is not just fun, but full of learning!

More Art Activities can be found here

Learning is made easier for child when they are healthy and wellested. To promote healthy children:

- use Canada's Food Guide as a guide to make healthy meals or snacks
- cook and eat together
- make water a drink of choice

Explore the <u>Welcome to Kindergarten Family Cookbook</u>! It has many healthy recipes that promote cooking and enjoying food together. For information about healthy habits for children, visit <u>Caring for Kids</u>

## Music and Movement

Listening and moving to music is a fun, healthy family activity. The WTK ball and WTK music (download Welcome to Kindergarten Album, Lyrics, and Activities ) that can be usedanywhere!

Here are some ways to enjoy music and movement together:

- Using the WTK song, "Jump Up, Jump Down", try moving to the actions described in the song.
- Move along while waving and tossing light objects like ribbons, scarves, and tissues.
- Use music to calm or energize!
- Play ball games together and practice rolling, tossing, passing and catching.
- Move to music and pretend to move like an animal (e.g., rabbit, elephant, snake, butterfly)
- Enjoy music from around the world

Here are some links to other music for children:

30 Playtime Songs

Classical Kids: Light and Silly Classical Music for Young Children

Children's Music from Around the World

## Social and Emotional Learning

Teaching children about their emotions and helping them to form relationships with others are foundations of school success. Here are some ways families can practice these important skills:

- talk about feelings by reading stories or watching videos about emotions
- sing songs to help your child learn how to express their feelings (e.g., If You're Happy and You Know it)
- create a "Kindness Calendar with your child. Write down some thoughtful ways children can support others and put this on the calendar (e.g., draw a picture for a grandparent; give someone in your family a great, big hug; donate a toy; feed the birds) children love to generate ideas on how to be kind!
- Praise your child when they use words to express their feelings.
- Help your child through overwhelming moments by practising 12 Self-Regulation (Calming) Strategies for Young Children.

# Here are more WTK Resources to Explore

- Welcome to Kindergarterbsite

- Family Activigalendar
- Healthy Mediase
- <u>Learning Through P</u>\( \text{vid} \) eos- more ideas for playing and having fun together.

## Greetings from your Principal!

Hello future members of the Laidlaw community, my name is Jacqui Kroeker and I am your Principal at Laidlaw. I am a proud Mum of two boys Jaxon and Hudson. My husband is Andrew, he was born in Canada and I was born in England so our boys are from mixed heritage. We have two dogs-Penny and Norman. I love hiking, yoga and being outside. I am proud to have served this community for 4 years. As Laidlaw Lions we are courageous, kind and full of adventure. The Circle of Courage guides us on our learning journey every day.

### Additional Information About our Sch

Staggered entrance on September 8th and 9th

All Kindergarten students will begin as a full group on Monday, September 12th, 2022

Strong Beginnings– Students attend by appointment only on Thursday, September 22 or Friday, September 23, 2022.

Assiniboine Castle Daycare provides before and after school care including K's in the PM. Please call: 204 896 0833 for more information.

Bussing can be available to Assiniboine Castle Daycare, but you must apply for a seat sale. This does have a cost associated with it.

Please visit<u>Pembina Trails Transportation Website</u> for more information.

# Questions?

# See you soon! Nope you choose Laidlaw as your learning community.

#### About The Learning Partnership

The Learning Partnership is a registered Canadian charity (CRA reg'n #140756107 RR 0001) that brings together business, educators and strategic partners to design and deliver innovation education programs focused on early learners in schools across Canada. Our programs build the essential skills and competencies needed in tomorrow's leaders, innovators and problem solvers. They enhance provincial curricula, are aligned with Canada's innovation agenda, and are made available to students, parents and educators through the generous support of our education sector partners and funding from corporate, government, foundation and private donors. Learn more at thelearningpartnership.ca.
