**Students will not be required to change for Phys. Ed in grades K-4. We have found that during the pandemic it has helped with maximizing the 30-minute classes with children in K-4 not changing for gym class. It has also reduced transition times and therefore maximized learning time.**

Students may bring a small nutritious snack (i.e. fruit, vegetables, cheese and crackers) each day, in addition to their daily lunch. No nut products please. There will be absolutely no sharing of food.

**There will be an option to pay student fees via Permission Click. This option will be available in the fall. Alternatively, please submit one cheque or exact cash of \$65 on the first day of school. Cheques payable to Laidlaw School. If you choose to pay by cheque or cash, you will still be required to complete a permission click form.**
