

## Shaftesbury High School Undergraduate Awards

This week, Shaftesbury High School celebrated the academic achievements of last year's grade 9, 10, and 11 students by presenting our annual Undergraduates Awards. These Awards are presented to students who meet the following criteria:

**Honour roll**: Average between 80% and 89%, all marks included in the calculation must be over 70%.

**Honour roll with Distinction**: Average of 90% or greater, all marks included in the calculation must be over 70%. (Please note for 2022-2023, all marks included in the calculation must be over 80%).

Marks used in the calculation:

### Grade 9

- English Language Arts
- Mathematics
- Social Sciences
- Science
- Physical Education
- Plus two courses

### Grade 10

- English Language Arts
- Mathematics
- Science
- Social Sciences
- Physical Education
- Plus two classes

### Grade 11

- English Language Arts
- Mathematics
- Canadian History
- Plus two courses

Mrs. Birch and Ms. Dunford visited period C classrooms on Tuesday and Wednesday to present the Undergraduate Awards. We are so proud of all our students as they demonstrated perseverance and resilience while they worked to accomplish their goals. If your child had a Period C spare and would like to pick up their award, please ask them to visit the office.

We look forward to celebrating next year's Undergraduates together and in-person if Public Health guidelines allow.

Please see attached for a list of Awards recipients.
