

VINCENT MASSEY REGISTRATION EXPLANATION OF FEES

The **General Student Fee of \$60.00** paid by all students is directed towards costs attributed to:

- Co-curricular programming opportunities, guest speakers, school events, etc.;
- Maintenance, repair and replacement of locks for lockers;
- Operation (beautification, equipment, seating, supplies) of ancillary and cafeteria spaces;
- Partial subsidy for cafeteria and hallway supervision during lunch hours;
- Partial subsidy towards transportation costs for field trips;
- School-wide communications for students (i.e. handbooks, school-life promotions, etc.);
- Support for arts, clubs, social action, sport, student council and events/initiatives; and,
- Support for Homeroom activities and Diversify/UNESCO events;

For 2022-2023, we have reduced our student fee expenses in these areas so that all students receive a yearbook. This means that in September 2024, all students will receive a yearbook for the 2022-2023 school year.

The **Convocation Fee of \$55.00** pays for normal budgeted costs associated with convocation (not the grad dinner nor safe grad). The fee covers costs for cap/tassel, diploma covers, gown cleaning, gown repair/replacement, programme printing, stage dressings, venue rental, etc. There is no cost for gown and stole because Massey owns its inventory. The fee allows for unlimited family members and friends to attend without the purchase of tickets. **All Gr. 12 students are expected to pay this fee.**

Any family or student who may experience hardship by any fees applied at Institut collégial Vincent Massey Collegiate is asked to please contact Mr. Iain Riffel, Directeur/Principal.
