At the start of your first year at Massey, you will be assigned **Homeroom** group that will meet periodically throughout each year until you graduate. The same teacher will guide you year to year. The grouping is by grade-level and intentionally random. The purpose in coming together is:

- Build community and stay informed about your academic progress and school-life;
- Provide time to plan for educational and career goals; and,
- Provide time for the opportunity to engage with ICVMC's UNESCO's curriculum as well as participate in club/student council initiatives. School-wide events may also be facilitated through **Homeroom**.

*One more family to connect with!*
