## ÉVA

**Who doesn't like a new pair of socks? Whether you like sporty or frilly socks striped, or cozy hand knit socks, even socks all rainbows and cute little toes, new socks make feet feel good!!**

**Here @ ÉVA, we are collecting new warm socks to be distributed at Siloam Mission.**

**Help us to collect more than 500 pairs.**

*Students can bring the socks to their homeroom teachers. All donations will be collected and brought to the office. Warm, clean socks make a huge difference to those who live on the streets.*

*We will be collecting until October 29.*

*Help us blow the socks off this Socktober!*
