

Public Concerns & Complaint Protocol

(Policy KE)

The Pembina Trails School Division Board believes that concerns and complaints are best handled and resolved as close to their origin as possible and in a timely manner. Therefore, the proper channeling of concerns involving instruction, discipline or learning materials will be as follows:

1 Talk to the person most directly involved – the teacher.

If talking to the teacher does not resolve the issue, make an appointment to discuss with the school principal.

2

If talking to the principal does not resolve the issue, call or email the Superintendent's department. Contact information on the next page.

3

Appeal of a Superintendent's decision shall be handled by the Board through written correspondence.
