

# YMCA-YWCA of Winnipeg Child Care Programs

## We have the right child care program for you and your family

At the Y, we've never met a child who didn't have the potential to shine. By valuing and nurturing the uniqueness of all children, we adapt to the needs of our youth and their families. This has allowed us to build trust and become **Manitoba's largest child care provider.**

## Our child care programs at Whyte Ridge School

Our school age child care programs have adopted the YMCA *A Place to Connect* curriculum, which focuses on play-based learning. Research shows that children flourish in programs that are structured to let them shape the program. Children in our care flourish in programs that provide choice, opportunities for leadership, a focus on strengths, and a place to naturally develop skills and relationships.

We offer **Kindergarten** and **School-Age Care**

- **Kindergarten** (with Before & After School care)
- **Kindergarten** (without Before & After School care)
- **School Age Before & After School Care**
- **Inservice day care included**
- **Child care available during school break periods**

Building healthy  
communities
