School Supply List

Supplies: Classroom teachers will purchase and provide pencils, erasers, rulers, scissors, glue, crayons, markers, pencil crayons, notebooks, duo-tangs and binders etc. for the whole class for the entire school year.

Please bring the following Personal Items:

All students:

- Please provide and **label (with your child's name)** the following items for the start of school:
- A school bag (backpack) to take to and from school daily.
- One (1) reusable pop top (see picture) water bottle. This helps eliminate frequent trips to the water fountain.
- One large box of facial tissue (do not label).

Grade K – 3 only

- 1 pair of running shoes for indoor use (Velcro fastening if your child cannot tie laces). Please be sure the soles are the non-marking kind. Runners or gym shoes remain at school and are worn inside during the day. They may not be worn to and from school. This ensures that all children have suitable gym shoes.
- One extra set of clothes in case of “accidents” or wet weather clothing mishaps.

Grades 4 – 6 only

- One (1) pair of non-marking indoor running shoes (appropriate for gym, no cleats please). Runners or gym shoes remain at school and are worn inside during the day. They may not be worn to and from school. This ensures that all children have suitable gym shoes.
- One (1) pair of over-the-ear headphones or earbud-style headphones in a Ziploc bag
- One (1) 1” binder for French class (Grade 5 & 6 only)

PLEASE LABEL ALL OF YOUR CHILD'S ITEMS: OUTDOOR CLOTHING AND BOOTS, INDOOR SHOES & RUNNERS, WATER BOTTLES AND BACKPACKS.

Many families shop at the same stores and buy jackets, shoes and boots that are identical to others in design and size. Labelling will help children and teachers identify belongings.
