

Igniting Curiosity

Academic Programming:

Our teachers and Student Services Support staff are dedicated to supporting student learning and achievement through:

- Targeted, small group instruction
- Individualized home reading programs
- Reading Recovery
- Focused literacy supports
- Enriched opportunities
- Adaptive technology
- Technology in every classroom

The **Music Program** is a dynamic, engaging program led by a music specialist. Students may choose from a variety of enrichment activities in addition to learning to savour rhythm and beat and grow as performers on stage.

Physical Education focuses on personal well-being and life-long healthy living practices. Cooperative games and an emphasis on daily physical activity, our physical education program supports our philosophy of educating the whole child; mind and body.

The **Library Learning Commons** is the heart of the school; a place to celebrate learning through reading, writing, discovery and inquiry. An integrated Makerspace allows students to explore and create, igniting curiosity in Science, Technology, Engineering, Art and Math.

Beaumont School is ...

Nestled in the heart of Charleswood. Our students enjoy the benefits of a large field surrounded by forest. Our spacious, bright school boasts a Library Learning Commons, computer lab, a large gymnasium as well as a bright, sunny music room. The warm, welcoming atmosphere of our building makes it the right fit for parents, staff, teachers, and most of all, our students.

**At Beaumont School,
we take care of ourselves,
we take care of each other, and
we take care of our school!**

.....
"I love how we learn, grow and discover new
things in school."

- Grade 3 Beaumont Student

Ignite Curiosity!

*Accomplish
Anything*

Academic Excellence

Through hands-on, interactive approaches to instruction in all curricular areas, we guide students towards excelling as learners with:

- Self-directed, inquiry-based learning experiences
- Targeted literacy and numeracy instruction
- Balanced literacy programming
- Hands-on, interactive approaches to numeracy
- Differentiated learning
- Cross-curricular programming
- Enrichment opportunities

Responsibility & Sustainability

We value the opportunities that caring for each other, our community and our environment give us. We emphasize the importance of:

- Student leadership opportunities
- Cross-grade family groups
- Community-based initiatives
- Digital citizenship
- Outdoor learning
- School-wide sustainable practices
- Ongoing schoolyard enhancements

Growth Mindset

Students are taught it is okay to make mistakes. We emphasize educating the whole child and the importance of growing as people through:

- Perseverance
- Risk-taking
- Student leadership
- Physical well-being
- Inclusivity
- The arts

Standard of Behaviour

We believe in creating a safe, caring and inclusive learning community that celebrates individuality.

We recognize that our students are continually learning. As dedicated staff, we teach our students how to problem solve peacefully. Together with parents, we strive to maintain a learning environment that encourages students to reflect on their behaviour and learn from their mistakes.

The Standard of Behaviour, in addition to other helpful divisional guidelines are available on the following website: www.pembinatrails.ca.

Mission Statement

Igniting the spark for a lifetime of learning!

Beaumont School is a school community of learners: students, teachers, parents and support staff who grow and discover together. We ignite the spark for learning by:

- Creating a safe, caring and inclusive environment
- Celebrating that every child is a learner
- Recognizing that all learning is a continuum of skill acquisition
- Maintaining high-academic standards that prepare students for middle school and beyond
- Meeting the needs of each and every learner
- Diverse and inclusive teaching practices
- Cultivating a culture of inquiry across the curriculum

*Learning ignites
curiosity we never
knew we had!*
