 - a. Motion to proceed with Munch-A-Lunch online ordering system for 2026-2027 school year. Motioned by S. Locke, seconded by L. Wiebe. All in favour, motion carried.
6. **Fundraising**
 - a. Playground Update
 - i. The playground platform was repaired but deviated from the planned replacement due to the expected Daycare expansion.
 - ii. It has been functionally repaired for the interim while the Daycare expansion and its impact on the current play structure is being determined.
 - iii. Councillor Evan Duncan's office has been contacted regarding this delayed timeline for the donation given towards the playground repair and we have been informed that we can retain the funds for playground enhancements and to keep their office apprised as to developments once we are able to proceed with plans.
 - iv. Playground updates will remain on hold until S. Peever receives more information in the 2026-2027 school year from the School Division Facilities Management.
 - v. M. Turner will send acknowledgement and appreciation correspondence to community/business contributors who donated to the playground repair campaign.
 - vi. Next year's fundraising goals will need to be different than playground repair due to the status of the daycare expansion project. So far, a suggestion for Track and Field Jerseys was brought forward as an option.

- b. Fundraising Summary
 - i. E. Irvine prepared and presented a summary of all fundraising completed for the 2025-2026 school year.
 - ii. Of note, this year was exceptional for funds raised as the average is to break even.
 - iii. See BHSA Fiscal Report.
