Dear Pembina Trails Community:

The investigation into this past week's cyber security incident is continuing. Thank you for your kind messages of support to our staff and teachers.

We are compiling questions from the community and will provide responses as we get more information from our investigative team. We are in the process of setting up a dedicated page on our [peminatrails.ca](http://peminatrails.ca) website, where we will be sharing regular updates based on our findings, and answers to your questions. We will send a notice through our community platform once that has been established.

Respectfully,  
Shelley Amos  
Superintendent of Education/CEO  
Pembina Trails School Division
