

WELCOME TO PEMBINA TRAILS

At Pembina Trails we are dedicated to educational excellence through challenging and enriching experiences for all, in a safe and caring community.

Anything*

We truly welcome your feedback. If you have a comment, question or concern, we are here to listen.

If you have questions regarding your child's education, the first point of contact is their classroom teacher, followed by the school principal. If it is necessary to seek advice at the next level, please connect with your school's superintendent. Visit www.pembinatrails.ca to find their contact information.

Our Schools

Pembina Trails is an innovative school division, offering challenging learning opportunities and encouraging students to care for each other and their community. We recognize and celebrate individual growth and work to promote a sense of community and belonging, both in the division and in the world.

Pembina Trails serves the communities of southwest Winnipeg and has a student population of more than 14,000. Throughout every stage of their school journey, we help students develop, practice and refine the skills they need to be successful in school and beyond. We want students to be personally and intellectually engaged in their learning and embrace technology, creativity, innovation and problem solving.

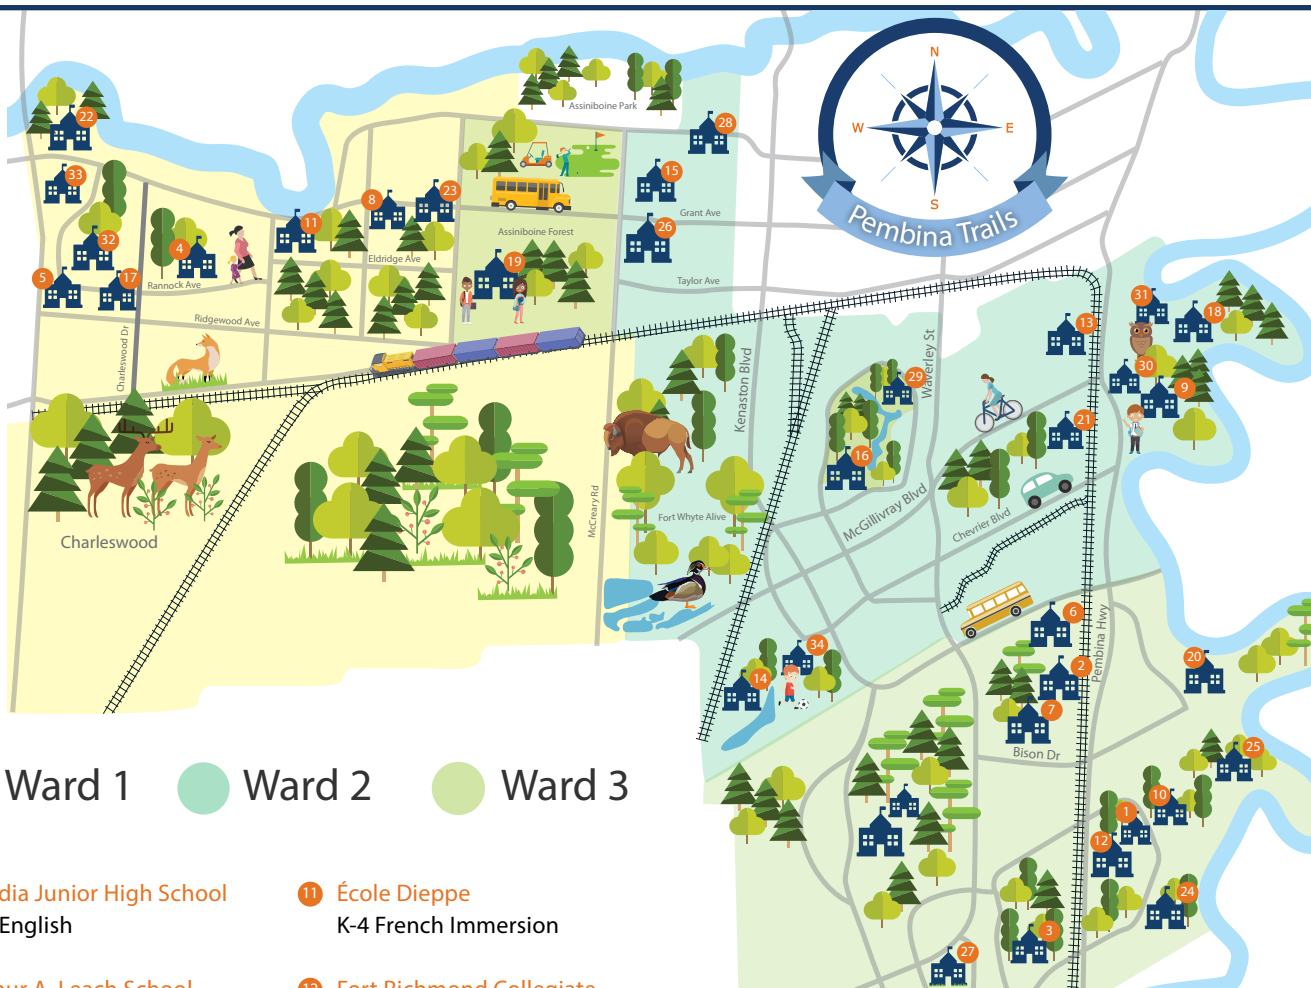

If required, please contact the Superintendent of Education/ CEO, Ted Fransen.
