- 27.09** The Division shall be the sole judge as to whether an Employee is qualified and able to perform the work.
- 27.10** In the event temporary work assignments become available, the Board may offer employment to Employees on temporary layoff. Employees interested in undertaking such work assignments shall advise the Applicable Administrator, in writing, of their interest in accepting such assignments. The rate of pay and benefits shall be the rate of pay and benefits prevailing for the temporary assignment, notwithstanding the normal rate of pay and benefits of the ten (10) month Employee.
- 27.11** This Article shall apply to Regular Employees only.
- 27.12** When an Employee has been transferred from one school to another during a School Year due to that Employee's position being determined to be redundant, that Employee may elect, for the purposes of staffing decisions for the beginning of the subsequent School Year, to be considered to be on staff at the school to which that Employee was assigned before the transfer during the School Year.
- 27.13** Lay-offs, Recalls and Vacancies in the Transition from one School Year to the following School Year
- 1)** Each Educational Assistant ("EA") will be laid off in June, the specific date will be dictated by the final dismissal date of students that the EAs have been assisting. The provisions of this Article 27.13, apply to layoffs, recalls and vacancies in connection with the transition from one school year to the next school year.
 - 2)** EAs who are Temporary Employees ("Temporary EAs") will have their employment terminated not later than the last day of the applicable School Year or at the end of the designated term of employment, or if earlier, then in no case with less than two (2) weeks' notice save and except for individuals who become

Temporary Employees by virtue of the provisions of Article 1.02(g).

- 3) EAs who are Regular Employees ("Regular EAs") will be recalled for the following School Year to the school at which they were working at the time of the June lay-off. If there are insufficient positions available to do so, the Regular EA will be placed in the Surplus Pool.
- 4) Notwithstanding Paragraph 3 above, pursuant to Article 27.12 Regular EAs who were transferred during the School Year due to their position being determined to be redundant may elect for the purposes of staffing decisions to be considered part of the staff at the school to which that Employee was assigned before the transfer during the School Year. In other words, for staffing purposes for the following School Year the Regular EA may elect to be considered to be part of the staffing complement of the former school. EAs must complete their declaration form prior to May 1, each year. In the event that no declaration form is submitted prior to May 1, the EA shall be considered to be part of the school staff where they are currently employed.
- 5) Prior to May 1, all Regular EA-2 staff must complete the declaration form as to their election regarding the following:
 - (a) If there is a reduction of EA-2 positions at their school for the following School Year, a declaration of the EA-2's preference to either remain in their present school in an EA-1 position or to be placed in an alternate school in an EA-2 position pursuant to the procedures herein.
 - i) In the event that an EA-2 has elected to be placed in an EA-1 position in order to remain at their school and an EA-2 position becomes available at that school prior to the commencement of the school year, the EA will be automatically re-instated as an EA-2 in that school subject to having the necessary qualifications, skills and ability. Where there are two or more Employees in this situation within a school, the reinstatement(s) to the available EA-2 position(s) shall be awarded to the EA-1 with the greatest seniority in that school who was an EA-2 the previous year subject to having the necessary qualifications, skills and ability.

An Employee re-instated to an EA-2 classification pursuant to this provision shall be notified by a letter sent to the home address on file, with a copy to the Association.

ARTICLE 27 - LAYOFF AND RECALL, cont'd

- (b) If the EA-2 wishes to be reclassified as an EA-1 for the following School Year (regardless of whether there is any reduction in EA-2 positions).
- 6) On or by June 5, the Division will determine the anticipated number of EA-1 and EA-2 positions at each school for the following School Year.
- 7) If the anticipated number of EA positions across the Division for the following School Year will be less than the number of EA positions in the current School Year, the EAs with the least seniority will automatically be placed on the Recall List subject to the considerations in Article 9.01.
- 8) The Division will then conduct a further school by school analysis of the anticipated EA-1 and EA-2 positions at each school and the allocation of staff that remain (i.e. those that have not been placed on the Recall List). The Division will determine whether there is a need for additional EA-1 or EA-2 staff at the school or whether there is a need to reduce the number of staff at the school.
 - (a) If the Division believes that there are more Regular EAs working in a school than will be required for the following School Year, the least senior EA(s) in such school will be declared surplus and placed in a Surplus Pool (the "Surplus Pool"). Regular EAs in EA-2 positions that elect to retain their classification as an EA-2 will, similarly, be placed in the Surplus Pool if there are insufficient EA-2 positions within the school, with the least senior EA-2 Employees being placed in the Surplus Pool.
 - (b) If the Division believes that there are fewer Regular EAs working in a school than will be required for the following School Year, the Division will create a list of vacant positions, indicating the classification, location and hours of work for the position (the "Vacancy Pool"). The Vacancy Pool will not include:
 - (i) Regular Term Positions that were posted during the School Year and filled with Temporary Employees (i.e. newly hired Employees) or by Regular Employees as a Promotional Transfer;
 - (ii) New Vacancies that arise after June 15.

ARTICLE 27 - LAYOFF AND RECALL, cont'd

- 9) Regular EAs in the Surplus Pool will select from available positions in the Vacancy Pool, in order of seniority and in consultation with the applicable administrator. The selection is subject to the considerations in Article 9.01 of the Collective Agreement. A Regular EA that occupied an EA-1 position will only be able to select an available EA-1 position. A Regular EA that occupied an EA-2 position may select an available EA-1 or EA-2 position.
- 10) If a Regular EA declines all of the options available, the Regular EA will be placed on the Recall List. The Employee will be permitted to bid on available positions that are posted starting August 15th.
- 11) The placement of EAs from the Surplus Pool in accordance with the procedures above shall, normally, be completed within five (5) working days.
- 12) If there is a greater number of EAs in the Surplus Pool than positions available in the Vacancy Pool, Employees remaining in the Surplus Pool after the placement procedure above shall be placed on the Recall List.
- 13) If there is a greater number of positions than EAs, positions that are not filled through the placement procedure above will be posted.
- 14) After the placement of EAs in the Surplus Pool (as described in the foregoing paragraphs), the Division shall post Job Postings for:
 - (a) Any Regular Term Positions that were posted during the School Year and filled with Temporary EAs or by Regular EAs as a Promotional Transfer, provided that the position continues to exist.
 - (b) Any positions which remain vacant in the Vacancy Pool after the placement procedure in Paragraphs 9, 10 and 11 above.
- 15) Job Postings for the foregoing vacancies will start on or after August 15th.
- 16) All Regular EAs may apply for the positions posted, including those that are on the Recall List. Posted positions will be posted and filled in accordance with Article 9 of the Collective Agreement.

ARTICLE 27 - LAYOFF AND RECALL, cont'd

- 17) If a posted position is not filled through the job posting procedure, the Division will fill the position by way of recall pursuant to Articles 27.07 and 27.08 of the Collective Agreement. If there are no Regular Employees on the Recall List or no Regular Employee that is qualified and able to perform the duties of the job, the Division may hire a new Employee for the position.

ARTICLE 28 - RIGHT TO HAVE ASSOCIATION REPRESENTATIVE PRESENT

- 28.01 Whenever the Applicable Administrator officially reprimands or officially disciplines an Employee and where that reprimand or discipline forms part of that Employee's personnel file, that Employee shall have the right to have the Association Representative present when the reprimand is issued or the disciplinary action is taken.

ARTICLE 29 - PERSONNEL RECORDS

- 29.01 Whenever an official reprimand or record of official discipline is entered into an Employee's personnel file, that Employee shall be provided with a copy of the reprimand or a copy of the record of disciplinary action and may attach to either document that Employee's comments which will also form part of the personnel record.
- 29.02 An Employee shall have the right to have reasonable access to and review their personnel record and, upon written request, an Employee shall have the right to have an exact copy of their personnel record.
- 29.03 There shall be only one (1) personnel file apart from the payroll file and Board meeting file.

ARTICLE 30 - JOB DESCRIPTIONS

- All job descriptions shall be presented to the Association for discussion purposes.

ARTICLE 31 – WORKPLACE SAFETY AND HEALTH

S.M. 2000, c. 49, s. 2; S.M. 2016, c. 2, s. 3.

Length of maternity leave

54(1) Subject to subsection (3), an employee who is eligible for maternity leave is entitled to the following maternity leave:

- (a) if the date of delivery is on or before the date estimated in a medical certificate, a period of not more than 17 weeks; or
- (b) if the date of delivery is after the estimated date, 17 weeks and a period of time equal to the time between the estimated date and the date of delivery.

Beginning and end of maternity leave

54(2) A maternity leave must begin not earlier than 17 weeks before the date of delivery estimated in the medical certificate and end not later than 17 weeks after the date of delivery.

Employee to provide certificate and give notice

54(3) An employee who is eligible for maternity leave shall

- (a) as soon as practicable, provide the employer with a medical certificate giving the estimated date of delivery; and
- (b) give the employer not less than four weeks' written notice of the date she will start her maternity leave.

Maternity leave if notice given after stopping work

55(1) An employee who is eligible for maternity leave but does not give notice under clause 54(3)(b) before leaving the employment is still entitled to maternity leave if, within two weeks after stopping work, she gives notice and provides her employer with a medical certificate

- (a) giving the date of delivery or estimated date of delivery; and
- (b) stating any period or periods of time within the 17 weeks before the date of delivery or estimated date of delivery that the normal duties of the employment could not be performed because of a medical condition arising from the pregnancy.

Length of maternity leave

55(2) The maternity leave to which the employee is entitled under subsection (1) is

- (a) any time, within the time referred to in clause (1)(b), that she does not work; and
- (b) the difference between that time and the time she would receive if she were entitled under subsection 54(1).

Maternity leave where notice not given

56 An employee who is eligible for maternity leave but who does not give notice under clause 54(3)(b) or subsection 55(1) is still entitled to maternity leave for a period not exceeding the time she would receive if she were entitled under subsection 54(1).

End of maternity leave where notice not given

57 The maternity leave of an employee referred to in subsection 55(1) or section 56 terminates not later than 17 weeks after the date of delivery.

End of maternity leave

57.1(1) An employee's maternity leave ends

- (a) 17 weeks after it began; or
- (b) if clause 54(1)(b) applies, 17 weeks after it began plus the additional time provided for in that clause.

Ending leave early

57.1(2) An employee may end her maternity leave earlier than the day set out in subsection (1) by giving her employer written notice at least two weeks or one pay period, whichever is longer, before the day she wishes to end the leave.

S.M. 2000, c. 49, s. 3.

PARENTAL LEAVE

Employee entitled to parental leave

58(1) An employee who adopts or becomes a parent of a child is entitled to unpaid parental leave to a maximum of 63 continuous weeks if

- (a) the employee has been employed by the employer for at least seven consecutive months;
- (b) the employee gives written notice to the employer at least four weeks before the day specified in the notice as the day on which the employee intends to begin the leave; and
- (c) in the case of an adoption, the adoption occurs or is recognized under Manitoba law.

Effect of late notice on parental leave

58(2) An employee who gives less notice than is required under clause (1)(b) is entitled to the 63 weeks of parental leave less the number of days by which the notice given is less than four weeks.

Commencement of parental leave

58(3) A parental leave must commence not later than 18 months after the date on which the child is born or adopted or comes into the care and custody of the employee.

- (b) if subsection 58(2) applies, 63 weeks after it began less the number of days provided for in that subsection.

| ADDENDUM NO. 1 | | |
|--|--|--|
| Workers' Compensation Board Top Up Methodology (June 22, 2006) | | |
| The parties agree that the procedures and methodology as set out in this Addendum No. 1 shall be adopted and applied for the administering of workers' compensation. | | |
| 1 | Employee Options | No option offered. |
| 2 | Top-Up Calculation | The Top-up shall be calculated as follows: For Full-time Staff – Regular Gross Pay (plus Vacation Pay when paid with each cheque) less 20% and Part-time staff less 15% (estimated for C.P.P., E.I., and Income Tax) = Net Pay * 10% of Net Income as defined by W.C.B. which is the portion not paid by W.C.B. Subject to No. 3 below, the Top Up will be increased by the amount required to maintain the same contribution to the M.A.S.T. Pension Plan that was being made prior to the employee commencing W.C.B. leave. |
| 3 | Annual Limit on Contributions to the M.A.S.T. Pension Plan | Federal law currently does not permit contributions into a pension plan which exceed 18% of earned income in any calendar year (employee plus employer matching contributions). For employees on longer terms of W.C.B. leave, this means that the Pre-W.C.B. pension contributions may not be able to be maintained for the full period of the W.C.B. leave period. In the Fall of each year or whenever an employee is on W.C.B. leave for 18 weeks (9 pay periods) in any calendar year, the Secretary Treasurer's Department will review the status of the W.C.B. recipient to determine whether or not the 18% ceiling has been breached. If the ceiling is expected to be or has been breached, adjustments to the pension contributions (including recovery, if necessary) shall be made to ensure that the contributions remain within 18% of earned income. |
| 4 | Effective Date | As soon as Payroll is notified that an employee is filing a W.C.B. claim including the date of the injury, and it seems clear that the employee will be approved for W.C.B. benefits, the effective date of W.C.B. benefits and Top Up is the day following the day of the injury. |
| 5 | Ordinary Advance of W.C.B. Benefits | Due to the time delay between the reporting of the injury to W.C.B., the completion of the approval process and issuing of W.C.B. benefits cheques, the Division will issue an Advance of W.C.B. benefits equal to 1 pay period of estimated benefits. The Advance will be paid on the normal pay date for the applicable pay period. The Division will notify W.C.B. as to the amount of the Advance paid and W.C.B. will issue a cheque to the Division for the amount of the Advance and deduct that amount from benefits sent to the employee. |

ADDENDUM NO. 1, cont'd

| | | |
|----|--|---|
| 6 | Additional Advance of W.C.B. Benefits ONLY when injury occurs in First Week of Pay Period | As injuries can occur during any part of any pay period the Regular Gross Pay for the pay period will be adjusted and an Additional Advance paid (in addition to the Ordinary Advance) to cover the period between the date of the injury and the end of the pay period. This can only be done if there is time to adjust the payroll reflecting a portion as Regular Wages and a portion as Advance of W.C.B. Benefits. In this case, the Division will notify W.C.B. as to the amount of the Additional Advance paid and W.C.B. will issue a cheque to the Division for the amount of the Additional Advance and deduct that amount from benefits sent to the employee. |
| 7 | Additional Advance of W.C.B. Benefits ONLY when injury occurs in Second Week of Pay Period | In some cases, the injury may occur during a pay period at a time when the Regular Gross Pay for that period cannot be adjusted as provided in No. 5. In this case, the full Regular Gross Pay will have been paid. The total Regular Gross Pay paid for the days when the employee was actually injured during that pay period shall be considered as Additional Advance of W.C.B. benefits and treated the same way as provided in No.5 with corrections for C.P.P., E.I. and Income Tax in a subsequent period. (Gross Pay is reversed and Advance entered in next pay period). |
| 8 | W.C.B. Benefits Payments | Except for the Division receiving reimbursement from the W.C.B. for the Advance and Additional Advance paid, all W.C.B. benefit cheques would be sent directly from W.C.B. to the employee. |
| 9 | Division Payments | Except for the Advance and Additional Advance the only payments from the Division to an employee in receipt of W.C.B. benefits payments will be the Top up payment. |
| 10 | Sick Leave Deduction | The amount of sick leave to be deducted from the employee for any pay period is the dollar amount of the Top up payment divided by the employee's hourly rate of pay and sick leave converted to and deducted in hours. |
