

EMERGENCY AMBULANCE SERVICES

In an emergency, sickness or accident situation, where an ambulance may be required to transport a person or persons to a hospital, emergency 911 will be called.

If the emergency involves a student, a copy of the medical information and health care plan, which the parent/guardian has authorized on the School Registration Form, should be made for the admitting hospital.

The billing for ambulance services will be forwarded to the individual or, if a student, to the parent/guardian.
