

PARKING ON DIVISION PROPERTY

The Board will provide, where possible, parking space for staff. Student and visitor parking may be provided when space is available.

The Board assumes no responsibility for damage to cars, lost articles, power failure, or damage to property or injury to persons by the automobile or its driver while on Division property.

The Board reserves the right to require that a parking stall be vacated to allow for repairs to the parking lot, snow removal, or maintenance work to the school in the vicinity of the parking area or requiring its use for storage.

The Board reserves the right to establish fees, procedures and guidelines for parking which shall not be inconsistent with any collective agreement.

Parking on Division property is a privilege and shall be treated as such. The local school administration shall be responsible to handle, or initiate action to handle, any situation that may arise from the operation or parking of vehicles on school property, subject to the procedures and guidelines established by the Board.
