

ACSL meeting minutes March 18, 2024

In Attendance: Glenys McLeod, Lorraine Crawford, Jason Avison, Tim Johnson (school trustee)

Regrets: Georgette Rochon, Jaimie Hutlet, Erin Kemble, Kim Soul

The meeting was preceded by a short presentation by Mark Wasyliw, MLA, who wished to tell us about positive changes coming to the education system including class caps for k-3, potential policies re cell phone use by students, and a pilot program in the wpg school division where the school would provide before and after care with the hopes of easing the burden on daycares. EA's were mentioned as those who would be doing the childcare. Mark assured us this would not come out of the school's budget, but would be funded by a daycare grant from the federal govt.

Open Campus begins after spring break and the school will be taking the students out for a trial run this week to help them understand time management, so the students are late returning to school after lunch.

The school charter bus will be available next year.

Much appreciation for our admin team who walked students to the bus stops and even rode the bus with them this fall.

Glenys will contact VMC so we can figure out the best way to go about awarding the scholarships.

The staff appreciation pizza cheque from 2023 was finally dropped off (sorry it took so long!).

The next meeting will be on the first Monday in June- June 3rd at 7 pm in the school library.
