"Play gives children a chance to practice what they are learning."

-FRED ROGERS

Our Philosophy

At Fort Garry Child Care we are committed to providing high quality child care in a play-based and child-centered environment.

Our programs provide children with an atmosphere where they can develop a positive self-image, practice independence, and learn to respect themselves, others, and the environment.

All of our locations are committed to providing an inclusive environment for all children and families.

About Us

At Fort Garry Child Care we offer quality child care to over 150 families in our community who have children between the ages of 2 and 12 years of age.

We have 1 preschool location and 3 school age locations located in the Fort Garry area.

We currently service families whose children attend École Viscount Alexander, Henry G. Izatt, Oakenwald, École Crane, and Whyte Ridge school.

Our Programs

At Fort Garry Child Care, we strongly believe that children learn through play. We believe that play is the beginning of knowledge and children need the freedom and time to play. Play is not a luxury; it is a necessity.

OUR EDUCATORS

Our educators set the stage by providing interactive, hands-on play experiences in all of our learning areas. These areas include but are not limited to block play, dramatic play, art, science, library, music and movement, large motor play, and sensory play (such as a sand and water play).
