4. The **Chief Human Resources Officer** ~~Assistant Superintendents, Human Resources or Student Services~~, in consultation with the Superintendent will make a determination whether the extra-curricular activity is eligible as per the Division's definition as defined by the policy on extra-curricular recognition.

Appeal Procedures

The staff member may appeal the school administrator's decision to the Superintendent or designate and the Superintendent's decision to the Board.

Working Guidelines

1. All recognition compensation in this policy relates to activities that provide direct extra-curricular service to students, with students present. Other volunteerism, such as setting up for an event, does not qualify.
