School Supply List 2025 26 Grades 5 and 6

Dear families,

June 2025

Students in grades 5 and 6 will have the majority of their school supplies purchased by the school and paid for by through the School Fees listed below. Ordering school supplies in bulk is cost effective and ensures that the exact materials needed for learning throughout the school year are in place.

It is important to note that in the past a Field Trip/Class Activity Fee was included in the Student Fees. To provide additional transparency, field trip fees will be requested by the classroom teacher throughout the year when a trip is planned.

Individual Student Fees for grades 5 and 6 for the 2025 26 school year \$60.00 per student

These fees are collected through Permissionclick between September 3 and September 17, 2025. An email with the link to Permissionclick form will be sent in late August.
