General Supply List Grade 5 French Immersion 2023-2024

This year our grade 5 team is trying something new. To take advantage of our school discounts and ensure consistency among students, we will be purchasing the majority of student supplies.

Grade 5 students will pay a supply fee, as well as a student fee. The student fee will help to subsidize the cost of field trips and in school programming.

On the first day of school, please have students bring:

- 1 backpack
- 1 zippered pencil case
- 1 box of Kleenex
- 1 pair of indoor runners (please see note below re: gym supplies)
- 1 pair of earbuds to be kept at school

A permission click will be sent home in the fall to collect the supply fee as well as the regular student fee. The student fee is used to help subsidize the cost of field trips and in class programming throughout the year.

Gym Supplies: The Physical Education team noticed very little interruption to engagement in class when students did not change during the pandemic period. Therefore, changing for physical education is no longer mandatory. The largest barrier to participation in physical education classes is students who did not have proper footwear. Track shoes or running shoes allow your child to be prepared to be active while staying safe. There are two options:
Option A: Wear shoes/runners to school on the days of physical education class.
Option B: Wear outdoor choice of footwear to school and bring track shoes/runners to change for physical education class.

Face Masks: Face masks are now considered optional.
