General Supply List Grade 6 English Program 2023-2024

This year our grade 6 English team is trying something new. To take advantage of our school discounts and ensure consistency among students, we will be purchasing the majority of student supplies.

Grade 6 students will pay a supply fee, as well as a student fee. The student fee will help to subsidize the cost of field trips and in school programming. A permission click will be sent home in September to collect the supply fee and the student fee.

On the first day of school, please have students bring:

- 1 package markers
- 1 package pencil crayons
- 20 pencils (to be used throughout the year)
- 1 pencil case
- 2 boxes of Kleenex
- Indoor shoes (please see gym supply note below)
- 1 backpack

Band Students:

Mr. Jeff Boch jboch@pembinatrails.ca will contact parents/guardians directly with a list of required supplies. If parents/guardians have questions, please email Mr. Boch.

Art Students:

Students who have registered for art should bring one sketchbook to school on the first day.

Gym Supplies: The Physical Education team noticed very little interruption to engagement in class when students did not change during the pandemic period. Therefore, changing for physical education is no longer mandatory. The largest barrier to participation in physical education classes is students who did not have proper footwear. Track shoes or running shoes allow your child to be prepared to be active while staying safe. There are two options:
Option A: Wear shoes/runners to school on the days of physical education class.
Option B: Wear outdoor choice of footwear to school and bring track shoes/runners to change for physical education class. These shoes can be stored in lockers.

Practical Arts Students:

The general supplies are provided to complete the courses. Extra supplies for special projects have a nominal cost.

Face Masks: Face masks are now considered optional.
