

HAVE TIME TO HELP? PLEASE VOLUNTEER

The success of the hot lunches is driven by the volunteers who help. If you are able to spare some time, it would be greatly appreciated!

Sign-up is easy: log into your Munch-A-Lunch account, and click on the Volunteer button on the top menu bar. From here you can choose the dates that you can help out.

The time commitment is from 11:10 AM - approximately 12:00/12:15 PM.

Handing out lunches is a quick and easy task when we have enough people helping out. This may even allow you to see your young one in action in the classroom!

Thank you for considering this, and a big thank you to the parents that have volunteered to get the program going and coordinate the distribution on site!
