Dear Laidlaw Families,

Laidlaw PAC utilizes an online system that will help us manage our fun lunch programs, fundraising activities and provides easy communication with our school's parents. By registering you will be kept up to date with upcoming school events and of course the popular fun lunches! This also means less paper coming home to you.

Whether you are a returning family or a new family at Laidlaw, we require that everyone register. Our online system refreshes every year so all your information is removed at the end of the year. Luckily, the sign up process is quick and easy!

Please check out the following link:

<http://laidlaw.hotlunches.net>

Each family will have one account and each student at the school will be linked to this account. Once you have created your account you will be able to login and edit your contact information and add additional email addresses to your account. This must be done every school year.

Please REGISTER your family by: going to <http://laidlaw.hotlunches.net>

- Selecting **REGISTER**
- **LLHL** is the School Access Code
- Enter your account information and select **REGISTER NOW**
- Add your children by selecting **STUDENTS**
- Select **ADD A STUDENT** – enter your child's name and the class he or she is in. If there are allergies, please indicate.

You may choose one hot lunch at a time, or may choose a few or all of them. Please print out your order form and attach payment and send to Laidlaw School office. Please make cheques payable to Laidlaw PAC.

If you are unable to access this information online, please advise the office and we will be sure to continue to send you future communication in paper form.

Thank you for your support in this effort.

Laidlaw PAC
