

INTERNATIONAL STUDENT PROGRAM

The Division believes that participation in international education encourages better relations and communications among peoples of different cultures. By encouraging youth to be sensitive to other cultures, students have a better understanding of the world around them and thereby become better global citizens. In support of these objectives the Division encourages and supports an International Student Program that is financially self-sufficient and beneficial to the participating schools and the Division.

Current relevant information (e.g. fee schedule, refund policy, newsletters, summer programs) on the International Student Program will be maintained on the Division's website at www.pembinatrails.ca/isp
