

## **RELEASE OF STUDENTS DURING SCHOOL HOURS**

Upon formal request from the student's parent/guardian, the school may excuse the student for illness, attending a medical appointment, religious observance, or any reason deemed to be reasonable.

When it becomes necessary for a student to be excused from school, the Principal or designate will contact the custodial parent, legal guardian, or emergency contact person to confirm the arrangements.

No student shall be released to a person or persons other than the custodial parent/guardian without authorization of the parent/guardian.
