PARENT/GUARDIAN AUTHORIZATION FOR ADMINISTRATION

a) Medications presented to a school not meeting the conditions of this policy will not be administered by divisional staff. The parent/guardian retains full responsibility for administering the medication.
b) The parent/guardian must provide a recent photo (school picture) of their child.
c) The parent/guardian or designated adult is responsible for the delivery and supply of the medication. If requested, pharmacies will provide two original pharmacy labelled containers.
d) The medication container must have the dispensing instructions noted on it and must have the official label of the pharmacy.
e) It is the responsibility of the parent/guardian to notify the school in writing of any changes in dosage or time of administration of medication.
f) The school administrator (or designate) is to administer the prescribed medication.
g) Authorization automatically terminates June 30th of the current school year or upon change in medication.

❑ I hereby request and authorize the school to administer the prescribed medication to my child. I have provided a recent photo (school picture) of my child. I also certify that the first dosage of the medication was given at home and was well tolerated. School personnel are authorized to contact the physician/ pharmacist regarding any questions as to the administration of the medication.
