

CHILDREN IN NEED OF PROTECTION

This regulation outlines procedures for Pembina Trails School Division (School Division) staff when reporting Child Abuse:

Procedures for Reporting Disclosure of Child Abuse:

1. Immediately following a disclosure or where there is reasonable cause to believe that a child may be in need of protection as outlined in the *Manitoba Guidelines for Reporting Children in Need of Protection*, the staff member makes a verbal (telephone) and written report to a Child and Family Services agency in accordance with the Child and Family Services Act and the Manitoba Guidelines on Legislative Requirements Reporting a Child in Need of Protection (August 2013). Failure to report child abuse is a breach of legislation, so err on the side of caution. Please see Reporting of Child Protection and Child Abuse: Handbook and Protocols for Manitoba Service Providers (August 2013). Website: <https://www.gov.mb.ca/fs/childfam/pacca.html>

If a School Division staff member cannot determine whether the report can/should be made to the parent/guardian directly, the staff member shall first consult with the Child and Family Services agency.

2. In accordance with the following section of the Child and Family Services Act, a person would notify the agency only:

“18(1.1) where a person:

- (a) does not know the identity of the parent or guardian of the child;
- (b) has information that leads the person reasonably to believe that the parent or guardian:
 - (i) is responsible for causing the child to be in need of protection, or
 - (ii) is unable to unwilling to provide adequate protection to the child in the circumstances; or
