Bairdmore Advisory Council is a group of parents and community members who work together with Bairdmore School staff to enhance your child's education experience.

What role do we play in the school?

In addition to advising administration on changes within the school, we also carry out the following responsibilities:

- Fundraising, which has paid for our outdoor play spaces, technology in the classrooms, climbing wall for the gym, an outdoor classroom and additional classroom supplies
- Planning special events, which have included hot lunches, movie nights and the Grade 6 farewell
- Organizing staff appreciation events
