

DONATIONS TO EXTERNAL AGENCIES/GROUPS

The following guidelines shall govern the disbursement of funds allocated by the Board for disbursement to external agencies/groups:

- The external agency or group must be providing some form of direct service to the Division's schools or a program or activity in which students from the Division participate.
- The external agency or group shall have been identified to the Board as a potential recipient in the proposed operating budget, or have the specific approval of the Board.

Accomplish Anything
