

LET'S PLAY LINDEN MEADOWS!

Linden Meadows Parent Council (PAC) has been working hard to re-develop the empty playground space behind our school, but we need your help!

Please consider donating by scanning the QR code provided. Tax receipts will be issued for donations over \$25 and you can win some fabulous early bird prizes!

Did you know school divisions in Manitoba do not replace playground equipment? Once it is deemed too old and dangerous it is dismantled and taken away. Our original play structure was removed by the division three years ago and we are now wanting to re-develop this space for a new life and a whole lot of play!

We have a plan for an amazing new play structure to be installed in the northeast corner of the school yard.

Please note... Any new play equipment must be fully funded by school PACs and community supporters.

The new play equipment will cost ~\$100,000 and we need to raise ~\$60,000. We know we can achieve this goal with the help of our generous community and by tapping into a variety of grant programs.
