Safe Grad Informational Items

What is Safe Grad?

Safe Grad is a social event organized and hosted by parent volunteers of the Class of 2026, allowing Grade 12 students and their guests to celebrate in a safe, controlled setting.

The Safe Grad celebration is separate from the school sponsored Graduation Dinner. Grads & their guests must pre-register for Safe Grad. Safe Grad is held immediately following the Grad Dinner at the same location. After dinner the grad/guest will say goodbye to parents and then will be checked-in for the Safe Grad celebrations.

Money raised through fundraising, keeps cost to students low. The Student Graduation Committee provides ideas and a theme and the Safe Grad Committee tries to make this a special celebration for them. This year's activities include casino games, photo booths, caricature artists, a DJ and plenty of food.

Registration Process:

Grade 12 students and their guest must pre-register in order to attend Safe Grad.

Registration requirements:

1. Complete Registration Form-attached in email or available on the website. The form must be filled out by Grade 12 student and their guest and requires signatures of the parent/guardian for both. **The form must be printed of by the student or parent and brought in when purchasing tickets.**
