Numeracy focus theme, how students see themselves. mental math and problem solving. Question can parents be educated about the new math? Can parents know what the students are currently working on. Will be a survey to ask students who they feel about math. Culture and engagement: how to build community in class, safety take risks independence, healthier mentally. House teams wolf packs. Gr 1 with Grade 8 to reduce fear. Activities to start January. In addition learning buddies. Indigenous : Rythm of the earth, outdoor learning. Example, Democracy around the world. School priority will focus on Indigenous Ways of Knowing, Being and Doing: Continued Action towards Truth and Reconciliation (Mamahtawisiwin) with a focus on our school's UNESCO goal of SDG #16 Peace, Justice and Strong Institutions. How does Indigenous ways of knowing and being connect to SDG goal #16? **What actions can we take to build a peaceful, fair, and inclusive community—at school and beyond?**
- k. By June of 2026, 100% of students and staff will continue to be involved in truth and reconciliation, strengthening and enhancing their knowledge and understanding of Indigenous ways of knowing, being and doing.
- l. Our school is engaging in a whole-school inquiry guided by the 13 moon cycles of the Ininev and Anishinaabe people. Each moon reflects teachings that connect us to the land, the seasons, and to ways of living in balance. By following the moons together, students will have the opportunity to learn through Indigenous perspectives, deepen their understanding of the natural world, and reflect on the rhythms that shape our lives. This inquiry helps us honour Indigenous knowledge systems while fostering curiosity, respect, and a stronger sense of community.
