CHAIR REPORT – CRYSTAL HENDERSON

- Many of the events that occurred last year will be planned again for the new school year including the Spring Fling and Carnival
- Focus this year is fundraising for the new play structure that will be built where the former play structure was (Northeast corner of the school yard)
 - Design was shared with attendees and informed that the structure will cost \$100,000
- We hope to host teacher appreciation, Spring Fling, etc.
- We do have a full executive, but we would like to recruit Members at Large, this would be parents who do not want to hold a permanent position but want to run one event like the Spring Fling
- Babysitting services during PAC meetings
 - Students in grades 7 and 8 would babysit children in the gym
 - In prior years, students applied for this job and were paid
- Lindenwoods Fall Classic is looking for volunteers
