6. New Business

- Is the PAC continuing? Discussion about positions and limitations
- Sandra (new member) is willing to be secretary, since Terina will not be here next year.
- Hot lunch will be different next year (pared down), as it has been too time consuming.
 - Instead of using hotlunches website (too costly), will do cash sales only, collected on the day (need cash box and float).
 - Pizza by the slice. Papa John's 2 topping, 8 slices will cost \$1.74 per slice (sell for \$3 ea). Pizza hotline \$1.24 ea. cheese, (will need paper plates)
 - Could also have hot dog lunch if we have enough volunteers. Need to start cooking at 11am, done by 12:30pm. Boil water, cook, serve. Clean up wrappers from classrooms.
 - Decided we will still do milk and cookie days, Krispy Kreme donut sale(s), and only 3 or 4 fundraisers.
 - Could do pizza every month. First date *tentative* October 2nd. Will finalize at September PAC meeting.
- Brenda will check if PAC can use Permission Click
 - parents could indicate if their child will be buying lunch so we know approximately how many pizzas/hot dogs to purchase.
 - Also could be used for other fundraisers. **Action: Brenda will ask about this.**

7. Election and Appointment of New Board Members

- Must have 4 members (executive positions)
- need quorum of 4 attendees at each meeting, which must include 2 executives (other two do not have to be members).

9. New Business

- Fundraisers
 - Brenda will ponder and send teachers wish list for fundraising. June 30th meeting they will brainstorm.
 - We will carry over balance almost \$3000 to September so school can decide what they would like to put funding towards.
 - Most fundraisers can be decided in September.
 - Mom's Pantry
 - Milk & Cookies was successful, will continue this.
 - If we drop one big fundraiser, we'd still be able to donate a good amount to the school and have enough for annual barbeque in June. Monthly pizza sales might make up for it.
- Meeting dates and times
 - 5:30 is good for everyone, not sure which day of the week yet (not Thursdays).
 - Tentative 3rd Wednesday of month (first one September 16).
 - Lisa will send out email beginning of August to discuss.

Meeting adjourned at: 6:25 pm

Beaumont School Parent Advisory Council Meeting

School Report June 2026

Spirit of Generosity

There is so much to be thankful for as we enter our tenth and final month of the school year. I am so grateful for every member of this community and their contributions to making it what it is.

I'm also grateful for the kind and generous spirit of Mrs. Cora Hoepfner. Mrs. Hoepfner has been working at Beaumont School for 2 years and has decided to move to a reduced contract at Beaverlodge School. We will miss her dedication, fierce commitment to academics and her deep care for her students. We wish her much luck as she moves on next year.

Spirit of Independence

As we look ahead to our learning next year, we think about our school goals. We will continue to focus on deep learning and self regulation. We will add more focus to land based learning, numeracy instruction, independence and rigour in the classrooms. We look forward to what it will look like!

Spirit of Belonging

June brings excitement and sadness as we celebrate our Kindergarten students who are moving up to grade 1 and sadness as we say goodbye to our grade 5 students. We also have many activities planned to end the year in a good way and to have the last chance to celebrate the classroom communities that have connected so well this year. We have an assembly for Indigenous Peoples' Day, Tabloid Day, a Spirit of Master assembly with a school wide lunch and we end off the year with our traditional Canada Day walk and assembly. We will end well!

Spirit of Mastery

As we celebrate our learning from this year, we look ahead to the new learning communities that will form next year. June 26th is when students will have the opportunity to meet their new teacher and classmates. They will spend a short time together to meet one another.

It is also important to share that due to a few students in grade 5 leaving, we have made an adjustment to the grade 4 and 5 configurations. Next year we will have one grade 4 class and 2 grade 4/5 classes. The following outlines the class configurations and the teachers for each class:

Kinder a.m.	Jannine Buors
Kinder p.m.	Jannine Buors
Grade 1/2	Meaghan Gale
Grade 1/2	Josey Orchard (0.75) and Miranda Chin (0.25)
Grade 2/3	Cynthia Black
Grade 3	Mikayla Harrison (0.83) and Miranda Chin (0.17)
Grade 4	Angela Waters
Grade 4/5	Kendra Sabourin-Toro
Grade 4/5	Leanne Ryrie (0.5) and Vanessa Knight (0.5)

Wishing you a wonderful summer,

Brenda Hanna, Principal
