Peer Tutor Contract (for the Tutor)

I am aware that by volunteering my time, I am making a commitment to helping another student. I will be reliable and keep my tutoring appointments. If I am unable to make an appointment, I will contact the tutee in advanced notice to reschedule or cancel, or find a suitable peer tutor replacement. I will also notify the Supervising Teacher promptly.

I am aware that by volunteering, I am agreeing to be respectful and keep information from tutoring sessions confidential. I will not share personal information or stories about the tutee or tutoring sessions.

I am aware that by volunteering, I am entitled to be treated with respect. I do not have to tolerate any form of abuse from my tutee. I do not have to continue tutoring tutees that do not show for appointments. I will notify the Supervising Teacher of any behavior that makes me feel uncomfortable.

I may record my volunteering hours for use for diploma requirements or scholarship applications. This can be verified by the Supervising Teacher.

By typing your name below, you agree to the above commitment of contributing to a responsible and respectful tutoring environment.
