Staffing Update

We have a few staffing updates this month! Mrs. Thiessen will be off until near the end of February. Mrs. Wyatt, a regular Kindergarten sub, will be with us until then. Congratulations to Mr. Osipa who will be off on paternity leave until mid-February. Mrs. Gill will be in 1/2 O. She has done terms at both Whyte Ridge School and South Pointe School. Ms. Godfrey will continue her leave, and Mr. Gadaleta will continue until her return. Finally, Mrs. Santos (EA) has moved into a full-time position, so we will have a new half-time EA beginning next week.

Holiday Shoeboxes

We were able to 85 boxes for children in the Charleswood community! Thank you to Mrs. Delorme and Mrs. Perks (her mother) for organizing this initiative. Holiday Shoeboxes are a great way for students to learn about and build empathy and to help build community within Beaverlodge and our surrounding schools.

Healthy Schools Grant and Nutrition Grant

Thank you to Mr. Adam for his work on getting the Healthy Schools Grant. We have been awarded \$1300 to continue to purchase items that foster inclusive practices and inclusive communication. We will be purchasing three more core boards to place in high-traffic areas and the gym, and a sensory wall for the regulation room.

From the provincial nutrition grant, we have purchased a new fridge and stove for the school kitchen. The division also will be renovating the space. We are excited to have an updated kitchen!

Upcoming Events
