Kitchen Renovation

We are excited to announce that the kitchen renovation is complete! The division has updated all the cupboards and counters and painted the room. Through the provincial Nutrition Grant, we have purchased a new fridge and stove. Next year, we look forward to expanding the nutrition program to potentially include a Nutrition Coordinator and more nutritious, homemade snacks.

Welcome to Kindergarten – What a Success!

WTK was a great evening! We met most of our incoming students and families. We are very excited to welcome 36 new students to Beaverlodge!

Library Updates

Now that we have so many new and amazing books, we are updating the layout. The divisional library consultant is helping us to organize the books by genre so that they are more engaging and accessible for students.

Classroom Celebrations

Kindergarten is full of beans – meaning, they are growing beans! Grades 2/3 and 3/4 have planted and are growing 18 varieties of vegetables! 1/2 C will be publishing their book “The Beaverlodge Superheroes”, and will celebrate with a publishing party. The 4/5 classes will be making a newspaper to celebrate the end of the year.
