## **Staffing Update**

This month we welcomed a new EA, Mr. Oyeniyi. He has been a great addition to the BL team. We are also thrilled that Ms. Huebner is now a full-time, regular EA. Finally, Mrs. Thiessen and Mr. Osipa have also returned from their respective leaves!

## **I Love to Read Month**

ILTR month was a huge success! The February calendar was full of events that promoted and celebrated a love of learning. Students had the opportunity to participate in literacy-themed spirit days, D.E.A.R., read in the dark, and read around the school. We also had guest readers including our school resource officer, school psychologist, school social worker, and the Charleswood librarian.

## **Kindergarten Information Night**

Kindergarten Information Night was very well attended! We continue to encourage families to return registrations as soon as possible so that we have accurate numbers for planning and staffing.

## **Library Update**

We have submitted the grant application for the Indigo Love of Reading Foundation. In the meantime, we continue to work with the divisional consultant to weed outdated books and purchase new, engaging books! This will be an ongoing priority next school year.

## **Upcoming Events**
