Staffing Update

We welcome Regina Bowers to BL for the 2024/2025 school year! Regina currently teaches music at Royal School and Chancellor School. Next year, she will be with us and Royal. We also welcome Randi Stevens as our admin secretary for the remainder of the year.

Beaverlodge School Motto – “Our Place to Grow”

We have a winner! We have been working on developing a new school motto throughout the year. Collaboratively with all staff, we brainstormed values and words that represent the Beaverlodge School. Next, teachers facilitated a similar process with their classes, and we generated a "graffiti wall" with their words and phrases. As a staff, we consolidated the information and came up with three options. Finally, a Microsoft form was sent to the community to vote.

Teddy Bears Picnic

Ms. Knight is organizing a Beaverlodge Teddy Bears Picnic. We have some very exciting volunteers running stations including Water Smart (for water safety), our divisional OT and SW for regulation strategies, a design challenge a divisional consultant, a nurse, eye care, a dietician, city of Winnipeg library, Winnipeg Police Service, and the Fire Safety House.
