Student Teachers

Our student teachers will soon be starting their teaching blocks. We are happy to welcome them to kindergarten, 2/3 G, 4/5 D, and 4/5 G.

Assemblies

Last month 4/5 G hosted our first Seven Teachings assembly. The student-led assembly included a picture book, a game show, practice scenarios, and a guided dance to the song “Respect”. This month, 1/2 O and 4/5 D will lead our next Seven Teachings assembly, which will focus on Courage.

Roots of Empathy

Roots of Empathy is well underway. Mrs. Robertson has brought little Ellie to visit 4/5 D two times, and students have been excited to watch her learn and grow!

Clubs at Beaverlodge

For a small school, we have a lot going on! Students can currently choose from Thrive Thursday, textiles club, Intramurals, student secretaries/announcers, Makerspace, Dungeons and Dragons, and eSports.
