Welcome Back!

We've had a great start to the school year. We have welcomed some new students to Beaverlodge! Our current enrollment is at 187 students. Overall, it has been a wonderful start to the school year. The children seem happy and settled, adjusting to familiar routines and some new ones too.

School Resource Officer

We had a visit this week from Constable Blake Muggleton. Constable Blake visited classrooms and spent a recess block outside with the students. The children had a lot of questions for him, which he was happy to answer.

Universal Nutrition Grant

Beaverlodge was awarded a significant amount of funding through the Provincial government and Pembina Trails School Division to build on the Nutrition Program started last year. We will be hiring a Nutrition Coordinator and forming a committee to develop a plan. We are fully committed to embracing the "universal" spirit of the grant, welcoming children and staff to enjoy a snack if they choose to. Fresh fruit has been offered this week in the office and we look forward to expanding our plans once a Nutrition Coordinator has been hired.

Indigo I Love to Read Grant

We are very excited about the prospect of partnering with Indigo to enhance our library resources and support our students in their literacy achievements. Our school team has been actively familiarizing themselves with the grant guidelines, timelines, and goals. We will be meeting next week with our Divisional Library Consultant to discuss next steps.
