

Frequently Asked Questions

Why don't you have grade 12's? Where will they go after?

In 2023-24 we will be a 9-11 school, however in 2024-25 we will exist as a 9-12 school. Students will remain at PTC.

Will there be transportation?

We are currently working with the City of Winnipeg on this plan.

AP options

We are offering the AP Capstone Program. Please visit our website for more information by [clicking here](#).

In 2024-25 we will be offering AP Calculus 42S.

I heard it will be a vocational school? What options?

We are starting with offering TVE in the program area of Networking & Cyber Security. Once the vocational wing is built we will be offering: Machining, welding and culinary/pastry arts.

What is the school offering for intellectually disabled?

We celebrate interconnectedness, diversity and inclusion. This will guide a whole child approach to all teaching and learning. We have a beautiful community classroom with a lifeskills facility. The building has been built with inclusion in mind..

What are the programs that PTC will be offering? Will there be arts programming?

We have various innovative pathways. Please [click here](#) for more information. Yes, we will be providing a comprehensive arts program.

What sports programs will be expected to be up and running?

We asked students to tell us what they wanted. [Click here](#) for the survey to complete. More information will follow with the sports teams and extra curricular PTC will offer.

Can I attend if I am not in catchment?

We are open to schools of choice applications. Please [click here](#) for more information. Applicants started to be accepted the first day after the winter break and applicants will be notified in April if there application was successful.

Will there be tests and exams?

At PTC we follow a whole child approach to teaching and learning. We want to graduate students who have a well rounded experience of assessment which will include observations, conversations and products. The teachers will determine when tests/exams are appropriate and when other forms of assessment are needed.

We will celebrate learning for each child. Students will be well prepared for the provincial assessments as outlined by Manitoba Education.
