

Pembina Trails

Educational Support Fund

Annual Report 2024-25

Introduction

The Pembina Trails Educational Support Fund Inc. (“PTESF”) is the charitable entity of the Pembina Trails School Division. Registered as a charity with the Canadian Revenue Agency in 2004, the Pembina Trails School Division Educational Support Fund Inc. is the merged operation of the charitable entities of the former Assiniboine South School Division and Fort Garry School Division following the amalgamation of those two school divisions in 2002.

As set forth in the Statement of Activities the PTESF is focused on providing financial support to individual students to gain experiences which may not otherwise be available to them, supporting schools and community groups to enhance schools, buildings and grounds, programming and scholarships to students. The following sections provide more detail with respect to the various component activities of the PTESF.

Message from the Chair

The Pembina Trails School Division Educational Support Fund Inc. (PTESF) is a registered charity dedicated to financially supporting the educational experiences of outstanding Pembina Trails students in academic, athletic or artistic pursuits. These funds are used both to directly enhance both individual student experiences as well as the school's benefits to students.

We proudly introduced a new innovative way of donating by teaming up with Canada Helps. Canada Helps is an online platform that informs, inspires, and connects donors and charities. We are confident that this collaboration will expand awareness of the Pembina Trails Education Support Fund.

The Board of Directors of the PTESF, as well as our schools and parent councils devised a number of ways to create new opportunities for expansion, growth and availability to support our students.

As the Chair of the Board of Directors of the PTESF I would like to sincerely thank all of our donors for their generosity and kindness in supporting this important fund. Many thanks as well to all our schools and parent councils for making this fund a reality. Your generosity truly does help our students "Accomplish Anything".

Message from the President

We continue to live and work in a community that is filled with generosity. In Pembina Trails, we aim to teach our students the value of flexing their citizenship muscles. Our students do not have to look far to see shining examples of selflessness and philanthropy. These attributes have served us well throughout the last few years. There are countless examples of students and staff going out of their way to demonstrate kindness and compassion.

School divisions cannot possibly fund all the activities that help maximize student experiences, enrich schools to the extent that we would like, or provide scholarships to students pursuing post-secondary education. We are fortunate to have a supportive community to help narrow this gap.

The Pembina Trails Educational Support Fund, Inc (PTESF) is a registered charity that also serves as a place where groups such as Parent Advisory Councils establish designated funds when launching special projects such as new playground structures and equipment. Schools have come to appreciate the role that PTESF plays in receiving donations from other charities and individuals which can supplement our nutrition programs.

PTESF is grateful to the Pembina Trails School Division Board of Trustees for providing an annual contribution to sustain the fund, however, like many charities, the needs often exceed the revenue. Donations can be made online through CanadaHelps.org. Tax receipts are issued to qualifying donors, so they may benefit from the tax advantages available to them.

The quality of the student experience in Pembina Trails' schools through personal activities and development of schools and grounds contributes to the achievement of our Three Expectations. The Pembina Trails Educational Support Fund, Inc. offers an opportunity for additional funds to be used to advance our goals, beyond what the Pembina Trails School Division provides. These additional funds truly help us support student success and our mission to Accomplish Anything.

The education of students in Pembina Trails School Division is focused on the Three Expectations for Student Learning:

1. All students in Pembina Trails will be personally and intellectually engaged in their learning at school.
2. By the end of Grade 8, all students in Pembina Trails will meet the provincial curricular standards in literacy and numeracy, allowing them the greatest possibility for success in high school.
3. All students in Pembina Trails will graduate from high school.

If you are a community member who is seeking a way to financially support public education, I encourage you to consider donating to the Pembina Trails Educational Support Fund, Inc. More information can be found on our website, www.pembinatrails.ca. We thank you in advance for your support.

Financial Support

The PTESF provides financial support to qualifying students who attend the Pembina Trails School Division to represent the Division in Academic, Athletic or Artistic activities here in Manitoba, throughout Canada and around the world.

“It will be the aim of the Pembina Trails Educational Support Fund to financially assist those students who attain outstanding performance in school program activities and who are selected to represent the Division in province-wide, nation-wide or world-wide activities relating to costs associated with educational workshops, clinics, seminars, travel, housing and food so that students with an exceptional academic achievement will be able to participate in activities beyond the school level at national or international levels. It is intended that the students be chosen or selected or qualify for these activities at the school, divisional, regional and provincial level. Activities may be of an academic, athletic or artistic nature.”

School Facility and Program Enhancement

The PTESF administers charitable activity projects which are submitted by schools for which schools raise funds publicly and which are dedicated to those projects which have been approved by the Corporate Board of Directors.

The Pembina Trails School Division Educational Support Fund Inc. approves requests from schools to initiate fundraising for specific projects as well as administers many previously approved fundraising projects which are underway in the Division which funds are expended out of the PTESF for school improvement projects.

Statement of Activities

THE PEMBINA TRAILS SCHOOL DIVISION EDUCATIONAL SUPPORT FUND INC. (The “PTESF”) shall engage in the solicitation of donations for the purpose of improving educational facilities, classroom equipment, supplementary educational programs or field trips, and other educational pursuits and providing scholarships, bursaries and prizes to elementary and secondary school students enrolled in the area administered by the Pembina Trails School Division in the City of Winnipeg, in the Province of Manitoba, with a view to increasing educational opportunities.

The Board of Directors of the PTESF will consist of the appointed individual Trustees from the Board of Trustees of the Pembina Trails School Division (the “School Division”) and such other individuals as may be appointed by that Board of Trustees. The PTESF proposes to support a wide range of academic, athletic and artistic experiences for students in the Pembina Trails School Division schools. The value to students of extending these experiences beyond the Division and the Province of Manitoba and in national or international events is recognized. It will be the aim of the PTESF to financially assist those students who attain outstanding performance in school program activities and who are selected to represent the Division in province-wide, nation-wide, or world-wide activities relating to costs associated with educational workshops, clinics, seminars, travel, housing and food so that students with an exceptional academic achievement will be able to participate in activities beyond the school level at national or international levels. It is intended that the students be chosen or selected or qualify for these activities at the school, divisional, regional and provincial level. Activities may be of an academic, athletic or artistic nature. The PTESF will also receive donations from parents, community members and businesses for the purpose of providing or improving educational facilities, classroom equipment, supplementary educational programs or field trips and other educational pursuits.

The School Division established pursuant to the provisions of the *Public Schools’ Act* and has the responsibility of providing elementary and secondary public school education in the areas commonly known as Fort Garry, Fort Richmond, Richmond West, Whyte Ridge, Waverley Heights, Waverley West, Charleswood, Tuxedo, Linden Woods and Ridgewood South. The School Division covers an area of approximately 320 square kilometres in Winnipeg, Manitoba, serving a population of approximately 100,000 people. There are approximately 17,000 students enrolled in elementary and secondary schools in the School Division. Financial administration of the PTESF will be under the supervision of the Secretary-Treasurer of the School Division.

The ultimate decision as to the awarding of a scholarship, prize or bursary or any other educational pursuit, shall rest with the Board of Directors of the Pembina Trails Educational Support Fund.

Scholarships

The PTESF administers scholarships which have been created by families or community groups to be awarded to students based on the award criteria established by the donor(s).

Nominations of students qualified to receive the awards are typically made by the applicable schools.

Scholarships administered by the PTESF are listed below:

- J. Giles Memorial Scholarship
- WS Edey Scholarship

Corporate Board of Directors and Administration

The Board of Directors is comprised of four Trustees of the Pembina Trails School Division, the Superintendent of Education and the Secretary-Treasurer.

The Board of Directors is appointed each year at the Inaugural Meeting of the Board of Trustees of the Pembina Trails School Division and all members are Pembina Trails School Division trustees.

Members of the Board of Directors 2024-25 were:

Alicia Becker

Linda Karn

Craig Stahlke

Stuart Nixon (Stu is fondly remembered for his dedicated service until his passing in May 2025)

Serving on the Corporate Board of Directors in the 2024-25 school year from the Pembina Trails School Division Administration were:

Shelley Amos, President of the PTESF and CEO/Superintendent of Education for the Pembina Trails School Division.

Scott Carleton, Secretary-Treasurer

Our Donors

The Pembina Trails School Division Educational Support Fund is made possible by monetary donations from tax-receipted gifts, gifts from other charities, gifts from businesses and the Board of Trustees of Pembina Trails School Division.

One hundred percent of donations to the Fund go towards the charitable activities of the PTESF. Administrative costs associated with this Fund are covered by the School Division.

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of Pembina Trails School Division

Opinion

We have audited the financial statements of Pembina Trails School Division Educational Support Fund, Inc. (the "Entity"), which comprise the statement of financial position as at June 30, 2025, the statements of operations and net assets and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies (hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at June 30, 2025, and its results of operations, its changes in net assets and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditor's Responsibilities for the Audit of the Financial Statements***" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to Financial Statements

Year ended June 30, 2025

1. General:

The Pembina Trails School Division Educational Support Fund, Inc. (the "Support Fund") was established to support a wide range of scholarships, technology and athletic equipment, playground structures, grounds improvement, uniform purchases and artistic experiences in the Pembina Trails School Division. Students who attain outstanding performances and others will be financially assisted to participate in activities beyond the school level. The Support Fund also receives donations for providing and improving educational facilities, classroom equipment and supplementary educational programs.

The Support Fund was incorporated, without share capital, on January 27, 1989, as a not-for-profit organization and is a registered charity under the *Income Tax Act*. The Support Fund is exempt from income taxes under Section 149(1).

2. Significant accounting policies:

(a) Basis of reporting:

The Support Fund has prepared these financial statements in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

(b) Fund accounting:

The Support Fund follows the restricted fund method of accounting for contributions.

The Scholarship, Educational Facilities and Other Restricted Funds report only the resources for various academic and artistic endeavors, as well as for equipment purchases within the Pembina Trails School Division, and for facilities improvements that have been specifically identified and for which contributions have been raised.

The General Fund reports resources for similar purposes as outlined above but for which specific projects have not yet been identified.

(c) Revenue recognition:

Restricted contributions related to general operations are recognized as revenue of the General Fund, depending on the nature of the contribution, in the year in which the related expenses are incurred. All other restricted contributions are recognized as revenue of the appropriate restricted fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

PEMBINA TRAILS SCHOOL DIVISION EDUCATIONAL SUPPORT FUND, INC.

Notes to Financial Statements (continued)

Year ended June 30, 2025

2. Significant accounting policies (continued):

(c) Revenue recognition (continued):

Unrestricted contributions are recognized as revenue of the General Fund in the year received or receivable if the amount can be reasonably estimated and collection is reasonably assured.

Interest revenue earned on restricted scholarship funds, non-scholarship (educational facilities and other) restricted funds and unrestricted funds are reported as income in the General Fund.

(d) Cash:

Cash includes cash on hand and balances held with TD Canada Trust.

(e) Financial instruments:

(i) Initial measurement:

Financial instruments are measured at fair value on origination or acquisition, adjusted by, in the case of financial instruments that will not be subsequently measured at fair value, financing fees and transaction costs. All other transaction costs are recognized in net income in the period incurred.

(ii) Subsequent to initial recognition

Investments in equity instruments that are quoted in an active market and free standing derivatives that are not designated in a qualifying hedging relationship are measured at fair value without any adjustment for transaction costs that may be incurred on sale or other disposal. Changes in fair value are recognized in net income in the period incurred. Investments in equity instruments that are not quoted in an active market are measured at cost, less any reduction for impairment. Other financial instruments are measured at amortized cost.

PEMBINA TRAILS SCHOOL DIVISION EDUCATIONAL SUPPORT FUND, INC.

Notes to Financial Statements (continued)

Year ended June 30, 2025

2. Significant accounting policies (continued):

(e) Financial instruments (continued):

(iii) Impairment

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Support Fund determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying amount of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Organization expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement.

(f) Use of estimates:

In preparing the Support Fund's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the year. Actual results could differ from these estimates.

(g) Contributed materials and services:

Contributed materials are recognized at their fair value in the financial statements (note 4) when the amount can be reasonably estimated and when the materials would be used in the normal course of the Support Fund's operations and would otherwise have been purchased.

Volunteers contribute numerous hours per year to assist the Support Fund in carrying out its service delivery activities. While their services benefit the Support Fund considerably, a reasonable estimate of their amount and fair value cannot be made, and accordingly these contributed services are not recognized in their financial statements.

PEMBINA TRAILS SCHOOL DIVISION EDUCATIONAL SUPPORT FUND, INC.

Notes to Financial Statements (continued)

Year ended June 30, 2025

3. Financial risks:

In the normal course of business, the Support Fund is exposed to financial risk that arises from its assets, including fluctuations in interest rates and in the credit quality of its donors. Management's involvement in operations helps identify risks and variations from expectations. The Support Fund does not manage risk through the use of hedging transactions.

Liquidity risk is the risk that the Support Fund cannot meet its financial obligations associated with financial liabilities in full. The primary source of liquidity is donations received from third parties which are primarily used to finance operations, and are adequate to meet the Support Fund's obligations. Liquidity risk may arise from unanticipated expenditures in excess of the financial capability of the Support Fund.

There has been no significant changes in these risks since the prior year.
