February 2025

Dear Parents/Guardians and students from General Byng, Henry G. Izatt, École South Pointe (French Immersion students), and École Viscount Alexander:

It is our pleasure to extend a warm welcome to Institut collégial Vincent Massey Collegiate! We wish to welcome all our new grade 9 students for the 2025-2026 school year. This package provides you with important information about Vincent Massey. With our Course Description Guide and your visits to our school, you have information to help you with registration and course selection. You are receiving this registration package for next year because our most current information shows that you reside in the Vincent Massey catchment area. This means that you are also pre-registered to select courses online.

Your course selections affect programming decisions and staffing (i.e. which courses are offered/not offered). This package includes:

- Your personal demographic information which is entered in our student information database
- Your personal login and password for selecting next year's courses online with instructions
- A hard copy of our course description guide. This can also be found in a reader-friendly format on our school webpage under the <About Us> tab for future reference.
- A course selection form which needs to be signed and returned with this package.

As new students to ICVMC, mark your calendar to attend our **Open House on Wednesday, February 12th at 7:00pm.** (There is a special presentation for those students who have applied for our elite Sport and Performing Arts School at 6:30pm.)

Please read the information on how to select courses in the course description guide before selecting your courses and program pathways. Our school counsellors are scheduled to assist in-person at your respective schools between February 17th and 25th.

Please complete the steps below in order to finalize your registration.

It is important that all registration be submitted by Wednesday, February 26th as course determinations will be based on these course selections and registration numbers.

Merci et bienvenue à Vincent Massey. We are looking forward to seeing you in September!
