1. Welcome and Introductions (Caitlin)

2. Acceptance of agenda and minutes

Motion to accept Meeting Minutes & Agenda:

Moved by: Natalia V. Seconded: Arifa

3. Administration Report (Jennifer & Lynn) – see attached report

There was discussions on the following topics:

The school will be holding the *Welcome to Kindergarten* event on May 8 from 5:30-6:30 PM. Mme. Marriott was wondering if SAHASA would like to host a table. The idea was that while the kids were doing some type of activity (i.e. preparing a snack), the new parents could meet SAHASA members.

Grade 6 Farewell will be held on June 25. SAHASA already has the key chains for the gift for grade six students. Mme. Rothwell and Kristin will connect about further opportunities.

Mme. Ty spoke about the upcoming school wide field trip in which grade 1-6 students will take the bus to Assiniboine Park. The students will take turns visiting various areas of the park including the Indigenous Garden, the smudging circle, the totem pole, the Terry Fox trail, the duck pond. Mme. Ty has proposed adding the activity of riding the steam train. The gentlemen who drives the train would come for the day to drive for the students. The cost would be \$3.75 / student. The school doesn't have a budget for this event and was wondering if SAHASA would considering paying the fee for the train (\$1,110). Executive will discuss further at a later date and will speak to admin about the decision. Need further consultation with the SAHASA treasurer. Mme Rothwell thanked Mme. Ty for her passion for the school and for all the work

4. Committee Reports

- a. Financial Report (see financial report)
- b. **Fun Lunch** (no updates)
- c. Milk Program (no updates)
- d. **Communication** Kemi will post several stories on Instagram to promote the Glealea plant sale. April 15 is the deadline.

SAHASA shared a post on Instagram about an upcoming ringette opportunity which had been brought to the executive by a parent. There was some feedback about if this was an appropriate thing to share on the SAHASA Instagram. The question was asked about how the group felt about sharing community events. Mme. Rothwell said that the SAHASA's Instagram still falls under the umbrella of the school. Some people expressed support for community events to be highlighted by SAHASA as some families are new to Canada and they rely on the school community to share valuable information. The question was raised about if we can fairly highlight every community event on our Instagram. Mme Rothwell shared that community activities can also be added to her Notes from the Office emails. Some parents did express concern that there are inconsistencies in the school social media account (Christmas was not celebrated, but many other cultural days were recognized.). One parent asked if the school could particularly highlight French activities that exist in the city.

5. Other Initiatives

a. Glenlea and Mabel's Labels

We need to have orders of at least \$1500, if we want to earn a higher percentage (25%) of total sales. The school said they would be able to print the flyer and send it home with students. Some feedback that other schools have started their Glealea fundraiser a lot earlier.

Kavitha has drafted a letter that we could send out in June about Mabel's Labels and it will also be mentioned on the school supply lists.

b. Family Fun Night (June 13, 4:30 – 6:30 PM)

We are still working at finding a dunk tank. We have organized a father to act as the DJ. Lindsey has secured some food trucks who will be attending the event: lemonade, pizza and Ethiopian truck. SAHASA would like to sell Freezies. Lindsey is continuing to look for a hot dog truck.

The school would like to do their thank you to the parents and guardians who volunteered at the school during the year at the Family Fun Night as opposed to doing a separate volunteer tea.

Mme. Rothwell suggested that we post on Instagram a save-the-date for the Family Fun Night.

c. Staff Appreciation

We will continue our staff appreciation this Friday. There has been great involvement by the community and all the donation spots were quickly filled. The lunch for the staff will be on April

19 and the food will be delivered from a restaurant by 12:00 PM.

6. New Business

a. Spring Yard Clean-up (May 29)

We will meet separately to do the planning with Alana, Jacob and admin.

b. Hot Dog Lunch (June 20)

No updates at this time.

7. Adjournment

Meeting adjourned at 7:46 PM. Last SAHASA meeting of the school year will be on May 14.
